

1 DAY ANATOMY AND PHYSIOLOGY BEAUTY RELEVANT COURSE;

ABOUT THE COURSE

Anatomy is the study of the structure of the human body whilst Physiology is the study of the body functions.

This Anatomy and Physiology course (Level 2 & 3) will provide you with a thorough understanding of the many systems of the human body and how they interact with each other to create what is, the amazing human body.

Our Anatomy and Physiology course allows you to gain entry into any course requiring level 3 beauty therapy.

We have designed this course to fit around your individual lifestyle so that you can learn at a pace that suits you with no pressure or deadlines. Help and support is available via calling/emailing the training school.
